

RAW Sparkle

Materials:

- * 1 color of 15° Japanese seed beads
- * 4mm Swarovski® Crystals—Approximately 82...depends on the length.
- * 3 ft. of .010 Soft Touch flexible beading wire
- * Clasp of your choice (Magnetic clasp is used in the instructions)

1. Center one side of your clasp on your 3ft. of .010 Soft Touch wire.

2. On the right-hand wire, string 1 15° seed bead, 1 4mm crystal, 1 15°, 1 crystal, in that order. On the left-hand wire, string 1 15°, 1 crystal, 1 15°.

3. Pass the left wire up through the last crystal on the right wire. The end of the wire will be pointing towards the clasp. Pull tight. Now your wires have switched sides.

4. On the right wire, string 1 15°, 1 crystal, 1 15°, 1 crystal. On the left wire, string 1 15°, 1 crystal, 1 15°.

5. Continue steps 3 & 4 until you have reached your desired length. Remember to take into account your clasp size in the length.

6. When you reach the other end, string 1 15°, 1 crystal, & 1 15° onto each wire. Pass in opposite directions through the clasp.

7. Working one wire at a time, pass back through beads. Tie a half-hitch knot every couple of beads. When both wires are secure, cut and enjoy!
